You can let us know your updated numbers when you arrive on the day of your trip.** We only ask for a courtesy email if your numbers are changing over 20% from your original size.

**CONFIRMATION:**

Please look for a confirmation email within 24 hours of booking.

**ADDITIONAL INFORMATION:**

Groups smaller than 20 will be combined with other groups and will not receive private tours.

**PAYMENT:**

We accept school, PTO, personal checks, credit cards, or cash. We request that you pay with one check for your entire group (including chaperones and siblings) at the time of your check-in **if possible**.

**RESCHEDULING YOUR TRIP:**

If you need to reschedule your group, we will work with you to find an additional date free of charge. Please be aware that we have multiple groups throughout the fall and we try to limit the number of groups per day so everyone can have the best experience possible. Please let us know within 5 days of your visit if you need to reschedule. Email [groups@skytoporchard.com](mailto:groups@skytoporchard.com) to reschedule.

**INCLEMENT WEATHER & RAIN:**

Because Sky Top Orchard is located on a mountain, our weather is often different than the forecast may suggest or than it may be at your school. Depending on the day, we usually suggest that groups keep their initial tour date, because other days fill quickly. In order to provide the best experience for all groups, we try to limit the amount of groups on each date. If you are concerned about inclement weather, please email [groups@skytoporchard.com](mailto:groups@skytoporchard.com) so we can find the best solution for your specific group. If necessary, Sky Top will make every effort to reschedule your group into an alternate mutually agreed upon date.

**DAY OF FIELD TRIP:**

Upon your arrival, you will check in at the front desk with a Sky Top Orchard Staff Member who will confirm your group. At this time, you will be able to pay for all students, chaperones, and siblings with cash, check, or credit card. The staff member will then give you the 3lb you-pick bags.

**TOUR SCHEDULE:**

- Educational talk about apples in our **brand new, covered educational center**
- Hayride- This will go around the perimeter of the orchard. Your group will then be able to go picking and enjoy the picnic and playground facilities.
- At this time, the stand will be open for parents and chaperones who wish to purchase additional apples and items from our fruit stand.

\*\*\*Please allow enough time to get to our orchard, keeping in mind your distance and traffic! We often have multiple groups scheduled per day so being on time will make the experience better for all groups. If you will be arriving late, please call our **Day of Number - (828) 692-7930**.

**PICNIC POLICY:** Picnic facilities are available on a first-come, first-serve basis and are not reserved for groups. You are welcome to bring picnic blankets!

**HOMESCHOOL GROUPS:**

All Field Trip and Group rules apply to Homeschool Groups. Any parent or guardian beyond the 2 complimentary teacher tickets must purchase a ticket at the group rate to participate in the tour's activities. **All accompanying chaperones or siblings must wear a wrist-band (given during check-in) to participate.**

**Thanks for choosing Sky Top! We can't wait to see your group at the farm!**
